# The Vessel

Commissioned in 2009, MV Monsoon is a 54ft classically styled, custom-built vessel in survey. She is built for comfort both on the sea and on board, featuring the latest in marine design along with the exceptional quality in her fittings. MV Monsoon cruises at 15 knots and can take you to the best snorkelling, diving and fishing destinations comfortably within a day charter.

Enjoy the comfort of a spacious main saloon, galley, master suite, two twin share cabins, day head and guest bathroom. The stainless steel galley kitchen is appointed with a gas cooktop and stove, microwave, dishwasher and coffee machine. Enjoy your cruise from the protection of the main aft deck, or savour panoramic views from the flybridge.

MV Monsoon is a luxuriously appointed motor vessel catering to a maximum of 10 passengers. We offer exclusivity in numbers and the selected sites we visit on the northern Great Barrier Reef. Day trips can be tailored to suit your individual requirements.

MV Monsoon is ideal for families, wedding parties and incentive groups—these exclusive charters provide the perfect tailored package.
